To the extent any response is required to any paragraph of Cobblestone's Prayer for Relief, Nokia denies that Cobblestone is entitled to any of the requested relief and denies any allegations of its Prayer for Relief as to Verizon. Nokia further denies each and every allegation in the Complaint to which it has not specifically responded.

**NOKIA'S DEFENSES**

Upon information and belief, and subject to its responses above, Nokia asserts the following defenses in response to the allegations of the Complaint, without admitting or acknowledging that Nokia bears the burden of proof as to any of them or that any must be pleaded as defenses. Regardless of how such defenses are listed herein, Nokia undertakes the burden of proof only as to those defenses that are deemed affirmative defenses as a matter of law. Nokia expressly reserves the right to amend or raise additional defenses pursuant to any docket control order or as additional information becomes available through further investigation and discovery.

**FIRST DEFENSE**  
**(Non-Infringement)**

Nokia equipment and technology supplied to Verizon do not, alone or in combination, infringe any valid and enforceable claim of the Patents-in-Suit, either literally or under the doctrine of equivalents, nor is such equipment or technology used in any infringement of any valid and enforceable claim.

**SECOND DEFENSE**  
**(Invalidity)**

The claims of the Patents-in-Suit are invalid for failure to comply with the requirements of Title 35 of the United States Code, including, without limitation, 35 U.S.C. §§ 101, 102, 103, 112, and/or 116.

**THIRD DEFENSE**  
**(Statutory Limit on Damages)**

Plaintiff's claim for damages, equitable relief, and/or costs is statutorily limited by 35 U.S.C. §§ 252, 286, 287, and/or 288.

**FOURTH DEFENSE**  
**(No Willful Infringement)**

Plaintiff is not entitled to enhanced or increased damages for willful infringement because Verizon has not engaged in any conduct that meets the applicable standard for willful infringement.

**FIFTH DEFENSE**  
**(No Exceptional Case)**

Plaintiff cannot prove that this is an exceptional case justifying award of attorney fees against Verizon pursuant to 35 U.S.C. § 285.

**SIXTH DEFENSE**  
**(Waiver, Equitable Estoppel, Acquiescence, Unclean Hands)**

Plaintiff's claims are barred, in whole or in part, or their remedies limited, by the doctrines

of waiver, implied waiver, equitable estoppel, acquiescence, and/or unclean hands.

**SEVENTH DEFENSE**  
**(Prosecution History Estoppel)**

Plaintiff's claims for relief are barred in whole or in part by prosecution history estoppel and/or prosecution history disclaimer based on amendments, statements, admissions, omissions, representations, disclaimers, and/or disavowals made by the applications for the Patents-in-Suit.

**EIGHTH DEFENSE**  
**(Statutory Limitation)**

To the extent certain equipment accused of infringing the Patents-in-Suit are used by and/or manufactured for the United States Government and/or public good, Plaintiff's claims involving Nokia may not be pursued in this Court and are subject to other limitations pursuant to 28 U.S.C. § 1498.

**NINTH DEFENSE**  
**(License, Implied License, Exhaustion)**

Plaintiff's claims for patent infringement are precluded in whole or in part (i) to the extent that any allegedly infringing products or components thereof are supplied, directly or indirectly, to Nokia by any entity or entities having express or implied licenses or covenant not to sue or assert to the Patents-in-Suit and/or (ii) under the doctrine of patent exhaustion. Additionally, Plaintiff's claims for patent infringement are precluded in whole or in part by any direct licenses or agreements/covenants not to sue that pertain to Nokia.

**TENTH DEFENSE**  
**(No Injunctive Relief)**

Plaintiff's claims for relief are barred in whole or in part because Cobblestone is not entitled to injunctive relief. Any alleged injury to Cobblestone is not immediate or irreparable and Cobblestone has an adequate remedy at law.

**ELEVENTH DEFENSE**  
**(Failure to State a Claim)**

The Complaint fails to state a claim upon which relief can be granted.

**TWELFTH DEFENSE**  
**(Standing/Ownership)**

To the extent that Cobblestone was not the sole and total owner of all substantial rights in any of the Patents-in-Suit as of the filing date of the Complaint, Cobblestone lacks standing to bring one or more claims in this lawsuit.

### **INTERVENOR NOKIA’S COUNTERCLAIMS**

Without admitting any of the allegations of the Complaint other than those expressly admitted herein, and without prejudice to the right to plead any additional counterclaims as the facts of the matter warrant, pursuant to Rule 13 of the Federal Rules of Civil Procedure, Nokia of America Corporation (“Nokia”) asserts the following Counterclaims against Plaintiff Cobblestone Wireless, LLC (“Plaintiff” or “Cobblestone”):

### **THE PARTIES**

### **JURISDICTION AND VENUE**

3. These counterclaims arise under the patent laws of the United States, Title 35, United States Code. The jurisdiction of this Court is proper under at least 25 U.S.C. § 271 *et seq.*, and 28 U.S.C. §§ 1331, 1338, and 2201-02.

### **NATURE OF THE ACTION**

7. Based on Cobblestone's Complaint, Cobblestone has substantial rights and interest in U.S. Patent Nos. 8,891,347 (the "'347 Patent"), 9,094,888 (the "'888 Patent"), and 10,368,361 (the "'361 Patent") (collectively, the "Patents-in-Suit").

10. In response, Verizon has tendered an indemnity demand to Nokia with respect to the Patents-in-Suit.

11. Nokia asserts that the Patents-in-Suit are invalid for failing to satisfy one or more of the requirements for patentability of Title 35 of the United States Code, including 35 U.S.C. §§ 100, 101, 102, 103 and/or 112, or other judicially created bases for invalidity or unenforceability

12. Nokia further denies that Verizon has infringed the Patents-in-Suit directly or indirectly through Verizon's use of Nokia equipment or technology.

13. In view of the foregoing, a conflict of asserted rights has arisen between Nokia and Cobblestone with respect to the alleged infringement and validity of the Patents-in-Suit.

14. Nokia brings the following counterclaims against Cobblestone.

**SECOND COUNTERCLAIM – DECLARATION OF NON-INFRINGEMENT OF U.S.  
PATENT NO. 9,094,888**
